Topics include smooth transitions, rein management, free-flowing gait, rating the perfect circle, stops, backs, rundowns and spins.

Steve's teaching style provides his students with the "why" and not just the "how" or the "what" giving them the necessary tools to be successful on their own. His techniques are applied on the trail, ranch or in the show pen, with an emphasis on creating a light horse through correct timing and clear communication. Steve strives to help fellow horseman/woman achieve their dreams, overcome obstacles, and to challenge themselves to do the best by the horse and for the horse.

Watch Steve on RFD-TV on Thursdays at 3pm & 11pm EST SteveLantvit.com
